28th September 2018

Family welcome workshop for Reception pupils

Dear Parent/ Carers,

Now that the children have been with us for a few weeks and you have started to get to know each other a little more, we would like to invite you to a family welcome workshop for parents/ carers and your children.

Friday 5th October 2018
9.00am - 10.00am

This is an opportunity for you to meet your child's teaching team and work with them on an activity for your child's Class Welcome Book. The book will be all about the children in the class. Families will be helping create a page all about their family life, including photos (please bring photos to the workshop), members of the family, the history of the family, your local area, where you have travelled to and any family stories you might have. We hope it will be a fun and a creative activity for you and your child. During the workshop we will also talk about:

- Uniform and homework expectations for the coming year
- Key dates in the year group calendar
- How to get in touch with us
- Details of the curriculum and trips

The adults involved in the year group will also be available to answer any questions which you might have. The workshop will take place in the assembly hall at 9:10am. On the day, please make your way straight to the assembly hall via the playground, where you will be signed in.

Yours sincerely

Charlie Gorman
Deputy Headteacher and EYFS Phase Leader
