23rd April 2020

Hello Yellow Class,

How are you all? I am sorry we never got to say goodbye before we got told we had to stay home to keep safe. I hope you have all been helping your mums and dads around the house.

I also hope that you have been having a go at doing some reading and maths challenges as well to keep practising all the amazing learning you had been doing when we were in school.

I have been busy reading books myself and making sure I have been letting Charlie know how fantastic you all had been until school had to close for a little while so you mums and dads know how well you did this year when we were at school.

On Wednesday I had my baby boy. When it is safe and we can go back to school I will bring him in to say hello and meet you all.

I hope you all are enjoying spending this time with your family. See you all soon.

From Kerry
