

EYFS Weekly Challenge

Hi everyone, hope you are all enjoying your time at home.

This week I have set a learning challenge for our Reception children and their families.

I enjoy playing board games with my family. During lockdown we made a Pokémon version of snakes and ladders.

This week's Challenge is for you to make your own board game!

First

Choose your favourite board game and play the game with your family.

Look at the rules of the game, what do you need to do?

Next

Design on a piece of paper your own version of the board game. For example, you can design your own game of Monopoly.

You can draw your favourite toys/cartoon characters to buy in the game. What rules will you have?

Then

Collect your resources e.g. paper, pencils, colouring pens. Don't worry if you don't have large paper at home, you can use a cereal box and turn it over and use the inside for your board game.

Make your board game and write instructions on how to play the game. Then enjoy playing the game with your family!
