Week 3

Dear parents/ carers

Welcome to this week's online learning for reception.

We do not expect you to do these activities all at once or in one week. We have laid out the activities in a table so that you can have an idea of the sort of routine you might want to work out. Spread the activities out, repeat them weekly/daily as you see fit.

Children in Reception learn best through **PLAY.** It is important that while learning at home they are still provided with opportunities to play and learn through activities they enjoy. Reading and writing is important and there are lots of ideas and activities for the children to practise these skills but keep these sessions short and fun. Where possible link the writing to their interests, e.g. if they like cars they can draw and describe the car and think about where it will go.

You should be able to find a worksheet or idea for an activity in the resources online organised by each day but please do whatever activities you feel you and your child can manage.

Looking forward to seeing you again soon

Charlie and the reception team
