

# Literacy: All About Me

For your literacy learning this week, we would like you to read your **new teacher** introduction page. You will find out all about your new teacher; **what** they are looking forward to in September, **where** your new classroom will be and **which** adults will be supporting your class.

**Task 1:** What questions do you have for your **new teacher**?

Once you have read your **new teacher** introduction page, think about some of the questions you might want to ask them when you return to school after the summer. You might want to discuss your ideas first with a family member and then write them down so that you don't forget!

*You can use the space below to write down your questions. Remember to use the question starters to help you to write some fantastic questions!*

**Who...?    What...?    Where...?    When...?    Why...?**
