## Spelling Ideas:

1. Choose 5 spelling words. Find the words in a dictionary and write their meaning.
2. Write 5 sentences using five of your spelling words.
3. Write each word twice onto 2 small pieces of paper. Can you play a game of 'Pairs' with a family member? (Place all cards face down, turn one card over, turn over another card. If they match, you can keep the cards and earn 1 point. If they don't match, place the cards face down again and the other player gets a turn).
4. Ask a member of your family to give you a spelling test at the end of the week.
5. Make your own 'find-a-word' using the spelling words.
