

Please watch the videos on the following website to support your child's learning:

<https://whiterosemaths.com/homelearning/year-2/>

White Rose have advised us that they will no longer be providing worksheets to go alongside these videos so we have made the following activities that your child can complete **throughout the week**. These activities are all around the topic 'addition and subtraction' and should therefore link to the White Rose videos.

### Activity 1

**Write four different facts.**

2	3	5
+	=	
+	=	
-	=	
-	=	

2	5	7
+	=	
+	=	
-	=	
-	=	

2	4	6
+	=	
+	=	
-	=	
-	=	

2	7	9
+	=	
+	=	
-	=	
-	=	

2	9	11
+	=	
+	=	
-	=	
-	=	

2	6	8
+	=	
+	=	
-	=	
-	=	

## Activity 2

Compare these number sentences by using  $<$   $>$   $=$  and remember, the 'crocodile always faces the bigger amount because he's greedy!'

$10-2$

$12+8$

$6-1$

$17+2$

$13+3$

$20-1$

$10+4$

$18-4$

$8-4$

$4+0$

$0+0$

$20-20$

$9+9$

$7-6$

$8+5$

$8-5$

### Activity 3

Complete the related facts. e.g. If you know  $2 + 3 = 5$  then you know  $20 + 30 = 50$ .

 Complete the part-whole models below:

 Find the missing numbers in the related facts.

$$5 + 4 = 9$$

$$8 = 3 + 5$$

$$4 = 10 - 6$$

$$50 + 40 = \underline{\quad}$$

$$80 = 30 + \underline{\quad}$$

$$40 = \underline{\quad} - 60$$

## Activity 4

Complete the 3 activities below.

❏ Create sentences based on the picture.

### Example

There are 4 children playing in a park.  
One more child joins them so there will  
be 5 children playing together.

❏ Continue the pattern

$$22 = 29 - 7$$

$$22 = 28 - 6$$

Can you create an addition pattern by adding in ones and starting at the number 13?

❏ Continue the number tracks below.

31			34		
----	--	--	----	--	--

		45			48
--	--	----	--	--	----

				67	
--	--	--	--	----	--

	13				
--	----	--	--	--	--
