

Design your own Island Home

Quick recap (you might want to discuss these questions with a family member - you don't need to write your ideas down!):

What features does the Isle of Struay have?

Which of these features are human, and which are physical?

Your task: Can I design my own Island Home?

Your Island Home must include:

- A place for people to buy their groceries
- A place for people to do sport
- A place for animals to graze (don't let them escape)
- A place for children to learn
- A holy building
- Three **natural** features

Island Ideas:

You can use a piece of paper from home to draw your island or you can use the template below.

Further ideas/ questions:

- What shape will your island be?
- Will you include a key to represent each feature?
- How will you travel around your island?
- Where will you live on your island?
- Who else lives on the island?
- Is there any wildlife on the island?
- Where will you get your food from?
