

Number practise 1- 10 (using a 10 sided dice)

Which snail will be the first to eat all ten leaves??

Shake the dice and write the snails number on the leaf. The first row of leaves full is the winner!!

									
1	2	3	4	5	6	7	8	9	10
									
									
									
									
									
									
									
									
									
									

Number snail is the winner.

Number snail is last
