- Year group bubbles closed (~ 2 weeks)
- Wider whole school lockdown decided by the Government

**Further details can be found in  
'Parent Guidance and expectations for use of Google Classroom'  
available on our school website.**

- For those self isolating, home learning can be found in your child's Google Classroom.

Year group/wider school closures:

- Home learning will be uploaded everyday onto Google Classroom.
- Children may be provided with a pack of resources to help them with their learning.
- Children will be expected to complete the learning set by their teachers.
- Children will be expected to take part in a daily Google Meet session so they can check in with their teacher, receive guidance and feedback as well as have the chance to say hello to their class.
- The suggested timetable is outlined below and any changes will be communicated via the school website and/or text message updates.

- Children are to be reminded to follow the schools behaviour policy and Code of Conduct when learning from home
- Help your child feel comfortable when taking part in Google Meet sessions (help your child by seating them in a quiet space so they can hear the audio and see the image on the screen. If possible, avoid your child sitting in their bedrooms).
- Children should be appropriately dressed (not in their pyjamas etc.)
- Only the child for their class Google Meet session should be visible in front of the screen – no other adults or siblings.
- Parent's/other members of the family are kindly reminded not to engage in the session or with the adults directly. This is the children's time to catch up with their class and focus on their learning.
