Kidical Mass London 2021 - Sunday 11th July at 10:30am

Start: Carter Lane Gardens – [Google Map](#) or [What3Words](#).

Contact on the day: WhatsApp group, ask for the link on [Kidical Mass UK](#) Facebook group.

Bring a blanket and snack for a well-deserved picnic afterwards.

Planned route is a 4.46 miles return ride. Itinerary [here](#). Should take us 1.5 to 2 hours.

We will cycle as a group with the little ones near the kerb and adults between them and the main carriageway. Will be a fairly slow pace. If you need to stop, ring your bell and we'll wait when appropriate, for you to catch up.

At every junction, we will need an adult to hold off traffic if necessary. Before heading off, we will show the children the person in the front that they should not overtake.

If you have, bring a puncture repair kit and pump, hopefully we will not be needing any. Flags, flowers in paniers and lots of bell ringing!

Weather to date is set to mid-20s and a slight breeze (yeah!). Bring plenty of water and sunscreen!

Pre-meets

Some people will be meeting and go together:

Borough	Time	Place	Contact if any
Hackney	9:30am	Stonebridge Gardens	
Lewisham	9.30am	Le Delice, Ladywell Road	Alex
Crystal Palace/Dulwich	tbc	tbc	tbc

No feeder from NW London – sorry - but [this may be helpful](#) for those who are considering it. This is the route used for the Ride London event up to Hyde Park, then it's pretty much all through the park and on protected tracks. A bit of a long one for little legs though. Some of us will come with the Metropolitan Line.

Covid considerations

There are still [restrictions](#) up to 30 people outside, so we need to remain mindful of that. Don't forget to bring a mask if you need to enter a shop, use public transport or public toilets.
