

All About Your New Teacher and Class

Amy

Hello everybody and welcome to Year 2 Tasman Class! It's very exciting to know that we will be learning together very soon! I look forward to meeting you all and it won't be long until we can explore our new classroom and playground together!

From our new classroom you will be able to see the KS2 playground, especially the football cage and the grassy hill – how exciting! There are also lots of windows, which means we will get lots of sunlight! The adults supporting us in Tasman will be Noorjahan, Shaheena and Mohammed.

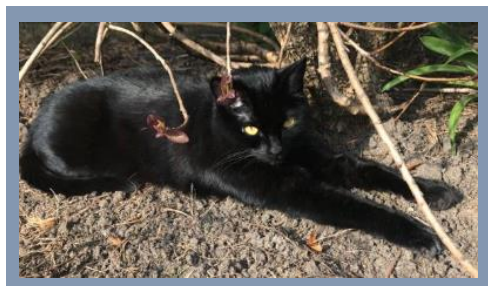

Noorjahan

Shaheena

Mohammed

My Favourite Things:

- Hobby: **reading and exercise**

- Food: **potatoes!**

- Drink: **Diet Coke**

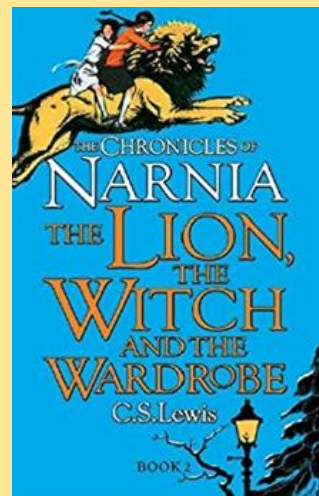

- Sport: **running**

- Animal: **cat**

- Flower: **lily**

- Colour: **emerald green**

The Lion, The Witch and The Wardrobe – my favourite book of all time! My teacher read this story to me when I was in Year 3 and I loved it that much that I read it again when I was old enough to do so independently. The characters are so magical and the adventures they have together in the frozen land of Narnia are super exciting!

Get ready for Year 2!

It won't be long until it is September and you are in Year 2! To help me get to know you all better it would be fantastic for you to complete your summer scrapbook about your lockdown experience. I have also heard that Tasman Class are ALL fantastic readers, which makes me very excited because as you can see one of my hobbies is reading! To make sure you are prepared for Year 2, it is very important that you continue to read over the summer holidays. I look forward to us sharing our favourite stories together soon!
