## **Favourite book(s):**

A book I like to read to my classes is Vlad the Drac. My teacher, when I was at school, read it to us and I loved it. Children love the story because Vlad is very naughty and this always makes them laugh.

## **Get reading for Year 2:**

Remember to complete your summer learning scrapbooks about journeys over the holiday. I look forward to seeing them all in September! Also, please remember to read as often as you can and ask an adult to listen to you.
