

Dear parents and carers,

Year 1 maths home learning

The White Rose website has videos for your child to watch each day that will support them with their learning. Once they have watched the video, they can then complete the worksheet that goes alongside it. The worksheets are all included in this booklet.

The videos can be found here:

<https://whiterosemaths.com/homelearning/year-1/>

Maths
Home Learning – Year 1

Home / Home Learning / Home Learning – Year 1

Summer Term - Week 8 (w/c 15th June)

Lesson 1 - Make arrays

Make arrays

Arrays have rows and columns

Rows

Columns

05:14

Lesson 2 - Make doubles

Looking for the worksheets? Contact your child's school to check if they have a subscription to our worksheets. Alternatively, [read more here](#) or get some extra practice from [BBC Bitesize](#).

Home Learning – Year 3

Home Learning – Year 4

Home Learning – Year 5

Home Learning – Year 6

Home Learning – Year 7

Home Learning – Year 8

Just click on the week we are in and press play on the lesson your child is on.

The video lessons will teach your child so they can complete the worksheets more independently. Once your child has had a go at the worksheet, please check their answers and talk about any mistakes they have made. If they are finding it tricky, even after watching the video lesson, please go through the learning with them and perhaps do the first few together until they get the hang of the task.

Please note: If your child is unable to watch the video lessons, they can still complete the worksheets included in this booklet. Please talk through the activity with your child and do the first few together. Once they know what they are doing, you can then leave them to have a go at the task on their own but please check their answers when they have finished.

We really appreciate all your support. Doing some home learning each day will make a huge difference to your child's learning.

Take care and thank you,

The Year 1 team

Day 1

Make arrays

1 Circle each row of sweets.

How many rows are there?

There are rows.

2 Circle each column of apples.

How many columns are there?

There are columns.

3 Make this array.

Complete the sentences.

a) There are counters in each row.

There are rows.

There are counters altogether.

b) There are counters in each column.

There are columns.

There are counters altogether.

Make your own array.

How many rows are there?

How many columns are there?

Make doubles

I Complete the sentences.

Use the pictures to help you.

Double 1 is

Double 2 is

Double is

is

2 Match the doubles to the additions.

Double 3	$6 + 6$
Double 6	$7 + 7$
Double 10	$3 + 3$
Double 7	$10 + 10$

3 Fill in the gaps.

- a) Double 15 is
- b) Double 11 is

c) Double 12 is

d) Double 20 is

e) Double is 8

f) Double is 16

4

I have doubled the number of strawberries.

Do you agree with Mo? _____

Talk about it with a partner.
